

2021 VENDOR PACKET
Friday, June 4 and Saturday, June 5, 2021

General Vendor Information

Thank you for choosing to participate in the 2021 International Horseradish Festival. Each year the Collinsville Chamber of Commerce and the IHF Executive Committee reviews the rules and regulations and makes changes to better suit our Festival, and to be sure that all our attendees are safe and our vendors profitable. Please be sure to read the applicable sections of this packet completely before submitting your application, as you will be held responsible for its contents.

The Festival will return to its new home in beautiful Uptown Collinsville. Our goal is to grow the Festival to at least 25,000 attendees! The Fest will run Friday, June 4, 2021 from 11 a.m. – 10 p.m., and Saturday, June 5, 2021 from 10 a.m. – 10 p.m. Early closure is not allowed; all booths must remain open until 10 p.m. No vehicles are allowed on the street before the police have cleared and opened the streets. You are encouraged to remove all items from your booth at the close of each day; the IHF is not responsible for theft, loss or destruction of property.

Each Food Booth Vendor must supply a working fire extinguisher of at least 2.5 lbs. Each Food Booth Vendor must supply own 3-prong extension cords up to at least 100'. Each Vendor must obtain their own change and their own ice during the Festival. Vendors must bring their own tent if they need/want one. IHF will not provide tent rental for vendors.

All vendors must provide the IHF Food Vendor Chairperson with a Certificate of Insurance. Please contact your insurance representative and this certificate will be provided at no cost to you. This certificate must be submitted at least 30 days prior to the Festival, or you may not be allowed to participate, and all moneys will be forfeited.

Please review the Festival Rules and Polices as there have been a few changes. Please see Vendor Rules, Food Vendor Information, Financial Obligation, and Clean-up Requirements & Information, and Madison County Health Permit Application Information, all provided as part of this packet.

Once your application is received and reviewed, you will receive a written confirmation of your acceptance as a vendor. You can speed up this process by providing an email address where requested; email is the preferred method of contact as it is the fastest way to provide information in written form. Information will only be mailed when there is no email address available. Vendor approval will not be given verbally over the phone.

Questions should be addressed to Linda Rayho, Food Vendor Chairperson, by email to lindarayho@remax.net. She can also be reached by phone at 618-346-7529. Please remember that email is the preferred method of contact.
